

IIBA Certification Study Group Session 8

BABOK Chapter 9: Underlying Competencies

BABOK Chapter 11: Perspectives

This is the eighth study session of 2017. The purpose of these sessions is to help BAs understand and achieve International Institute of Business Analysis™ (IIBA®) certifications. Monthly sessions will continue until November 2017. You do not have to have attended previous sessions to attend this one.

 **The sessions are based on *A Guide to the Business Analysis Body of Knowledge® (BABOK® Guide)* version 3.**

Chapter 9 “provides a description of the behaviours, characteristics, knowledge and personal qualities that support the practice of business analysis.” (*BABOK® Guide*)

Chapter 11 describes perspectives that “are used within business analysis work to provide focus to tasks and techniques specific to the context of the initiative.” (*BABOK® Guide*)

This session will be facilitated by Holly Zhang, CBAP®. Holly Zhang is a Senior Business Advisor with over 25 years of experience in information technology development, business analysis, project management and adult education. She has worked in banking, worker’s compensation and education industries. She is also an online tutor for the UBC Certificate in Business Analysis program since 2013

Materials

Participants must bring their own copy of the *BABOK® Guide* version 3, which is available online at no cost for IIBA members online ([IIBA Website](http://www.iiba.org)). Non-members can purchase a PDF, ePub or Kindle version at the [IIBA Website](http://www.iiba.org) or a printed copy on Amazon.

Pre-Requisites

To facilitate an effective study, we ask participants to read **Chapters 9 & 11** in advance and submit **5 questions** based on the concepts of the chapter to Development@vancouver.iiba.org by **Sep 8**.
