

**Dear IIBA Vancouver Chapter,**

On behalf of International Institute of Business Analysis™ (IIBA®), I would like to congratulate IIBA Vancouver Chapter on celebrating your 10<sup>th</sup> anniversary. This exciting and monumental milestone is a testament to the dedication, support and commitment of your Membership, your volunteers and the local BA community.

For over ten years, the Vancouver IIBA Chapter has loyally played a fundamental role in bringing BA's together locally, regionally and internationally in the Vancouver area. In this short time, the IIBA Vancouver Chapter has done a great deal to support the BA community by providing quality networking events, technical talks and learning sessions while lending credibility to the BA community. In addition, IIBA Vancouver has connected with BA's from all over the world and in doing so has contributed significantly to shaping the development of IIBA globally.

We want to take this opportunity to recognize and thank the IIBA Vancouver Chapter for the work it has done over the past 10 years and look forward to its continued focus well into the future.

We look forward to an exciting path ahead as IIBA Vancouver continues to provide support and value to the IIBA Members and the BA community. Congratulations once again for reaching such a milestone with great success.

Sincerely yours,

Kathleen Hutton
